Title of the Event:	AMEYA 2k23: The Signature B-School Fest				
Nature of the Event:	Business Fest				
Date:	12th & 13th April 2023				
Time:	9:00 AM- 5:30 PM				
Host:	School		Paari School of Business		
Location:	SRM University AP				
Number of attendees:	External *	Faculty	Ph D Scholar	PG	UG
	-	12	-	-	720
Event Organiser Contact info:	Paari School of Business				
Subject Area:	Business Fest 2k23				
Objective of the event:	The Paari School of Business organised the first edition of its signature Business Fest "AMEYA 2k23" at SRM University-AP. The novel EMBA programme was also launched during this event. The fest was inaugurated on a grand scale with activities being conducted both from the technical as well as non-technical streams. The B-fest manifested enthusiastic participation from students across the state and concluded with a spectacular show of music and dance! Witness the grand success of AMEYA 2k23!				

Outcome of the event:	Technical events such as How's That (IPL Auction) and Big Bull (Stock Market Simulation), created interest among the participants. There were events from every parallel offered as specialisations by the B-School. A few other events that were conducted are Resultyics, Get Massive Votes, Mock Commercial, Brand Race, and sustainability concept-based Upcycling. Events like hopscotch, treasure hunt, and separation anxiety had pulled large crowds. The organising committee also encouraged student entrepreneurship by allowing the students to set up food and gamestalls. Tech and Academic fests are not just events, they are celebrations of innovation and intellectual excellence and SRM AP knowing this will continue to carry out this tradition developing the skills and talents of its students while having a jovial experience at the same time

Title of the Event:	Ennovab's HACTOBERFEST at SRM University AP
Nature of the Event:	Technical
Date:	02-October 2020
Time:	11:00 AM
Host:	Directorate / Student Affairs
Location:	Online

Number of attendees:	External *	Faculty	Ph D Scholar	PG	UG
	0	0	0	0	600

Event Organiser Contact info:	SRM University AP
Subject Area:	Ennovab's HACTOBERFEST at SRM University AP
Objective of the event:	The primary objectives of HACTOBERFEST were to introduce students to the world of open-source, boost interest in collaboration, and facilitate their entry into the open-source community. The event aimed to make participants comfortable with Git on GitHub and command line interfaces (CLI). It encouraged individuals to make their first pull request, emphasizing that no contribution is too small, including bug fixes and documentation updates.

Outcome of the event:	Ennovab's HACTOBERFEST at SRM University AP was a resounding success, fostering a culture of open-source contribution, collaboration, and skill enhancement. The event not only provided a platform for students to explore the vast landscape of open source but also connected them with the global tech community. As participants left with new knowledge and experiences, HACTOBERFEST marked a milestone in promoting open-source engagement among the students at SRM University AP.

Title of the Event:	SRM AP's Inaugural Tech Fest – 2018				
Nature of the Event:	Technical				
Date:	28.3.2018 & 29.3.2018				
Time:	11 : 00 AM				
Host:	Directorate		Student Affairs		
Location:	SRM University AP				
Number of attendees:	External *	Faculty	Ph D Scholar	PG	UG
	5	5	0	0	550
Event Organiser Contact info:	SRM University AP				
Subject Area:	SRM AP's Inaugural Tech Fest - 2018				
Resource Person / Chief Guest:	Dr. V. K. Saraswat (Member, Niti Aayog) Dr. M. Nageswara Rao (Associate Director, ISAC)				
Objective of the event:	The main objective of conducting the Techfest in SRM AP campus was to encourage the students to showcase their thrilling creativity and emphasize their knowledge on technical perspective. They also collaborated with renowned colleges like IIT Roorkee to justify their level of organizing the tech fest event. This fest was also conducted to enrich the students in their knowledge in the technical domain and foster them with enthusiasm, skill and creativity.				

Outcome of the event:	The inaugural Tech Fest at SRM AP in 2018 emerged as a resounding success, bringing together academia, industry, and students in a celebration of technology and innovation. The event not only showcased the technical prowess of participants but also inspired and nurtured a spirit of collaboration and learning within the student community. This fest was accompanied with various competitions and championships, and also they conducted National Level activity like the Robofest in collaboration with IIT Roorkee, along with Finland Labs and Revert Technology Pvt Ltd. A workshop was also organized by Mr. Aadarsh from Finland Labs who set the stage for the competition, guiding students on basic robotic functions, applications, and usage. Students actively participated in the workshop, designing 6-8 projects using robots and computer software. A competition followed the workshop, where students showcase their skills, leading to the selection of the top 5 groups. These groups earned the opportunity to participate in the IIT Roorkee championship held on March 23, 2018. The Tech Fest, with its array of events, workshops, and competitions, not only ignited the spark of innovation but also provided a platform for students to apply their theoretical knowledge in practical scenarios. It served as a catalyst for academic growth, exposing students to the latest trends in technology and fostering a culture of curiosity and exploration.
