## **Report on Academic Counselling Cell**

The Academic Counselling Cell was constituted in the month of October 2020 with a view to identify students not having satisfactory attendance, CGPA, and arrears. The primary objective of the cell is to monitor and counsel such students at regular intervals to improve their performance with the purpose of enhancing their employability quotient as well as higher academic pursuits.

The cell is chaired by Dr. Sheela Singh, (Dept of Mechanical Engineering) and membered by the following faculty:

Dr. Srabani Basu (Dept of English), incharge of counselling SLASS

Dr. Satish Anamalamudi (Dept of CSE) , incharge of counselling CSE

Dr. T. Jaya Lakshmi (Dept of CSE), incharge of counselling CSE

Ms. H.Ayesha Parveen (Dept of Psychology), incharge of counselling CSE

Dr. Pradyut Kumar Sanki (Dept of ECE), incharge of counselling ECE

Dr. Shubh Lakshmi (Dept of EEE), incharge of counselling EEE

Dr. Manjunatha Thondamal (Dept. of Biology), incharge of counselling Civil

Dr. Ugen Bhutia (Dept of Journalism & English), incharge of counselling SEAMS

Dr. Sheela Singh, (incharge of counselling Mech)

Each faculty member is incharge of counselling and analysing the progress of students of various Departments and Schools

The A.C Cell has identified the students having less than 5 CGPA and backlogs. The target students have been contacted over phone and emails and respective faculty incharge have identified, analysed the reasons behind the lacunae in each of the above-mentioned areas, coached, and counselled the students to improve their performance in the said areas. In certain crucial cases, the parents of the concerned students have also been contacted to achieve a collaborative support for the student's improvement.

The Cell is working closely with the Exam and Admin departments to collect relevant data to upgrade the quality of its performance and extend full support to the concerned students. From time-to-time the cell is monitoring the performance of student and reporting their performance to the Vice-Chancellor, Dean and Head of departments and discussing the challenges faced by the student and trying to reach to solutions with collective suggestions. The students are free to interact with any faculty members of Academic Counselling Cell for their suggestions or help to strengthen their academic.

The figure 1 display students with CGPA less than 5 before cell was constituted (Nov 2020)

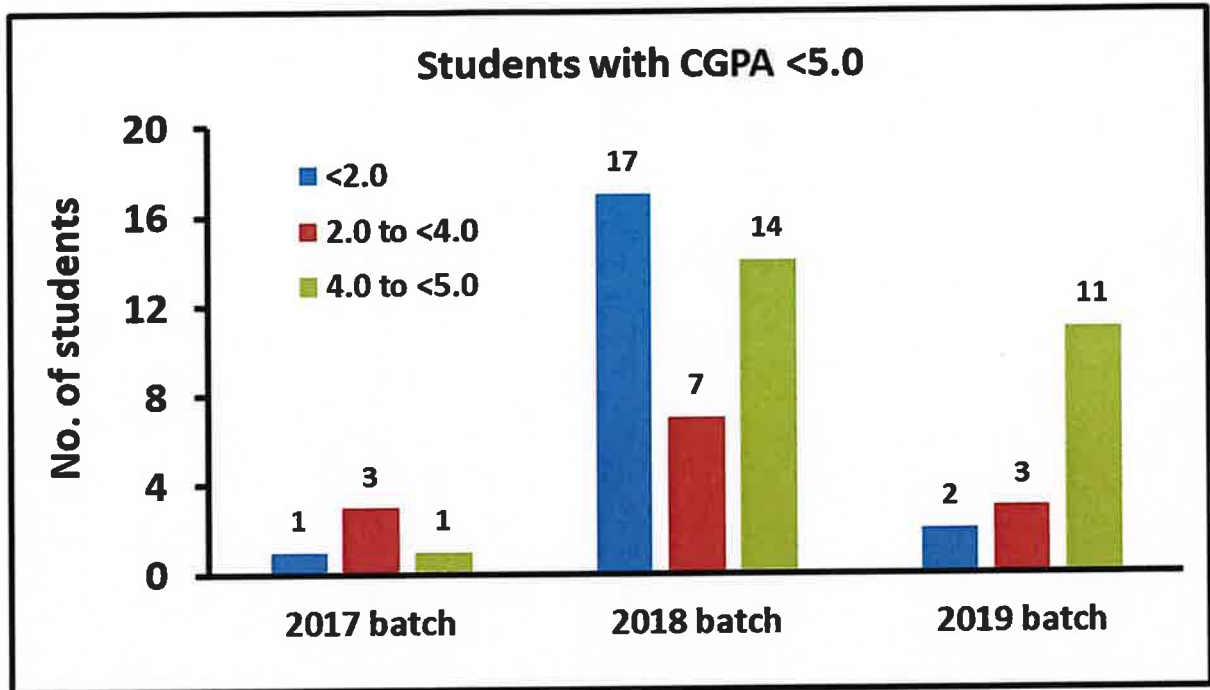

Figure 2 shows student performance after the constitution of the cell (Feb 2021). The improvement is noticed.

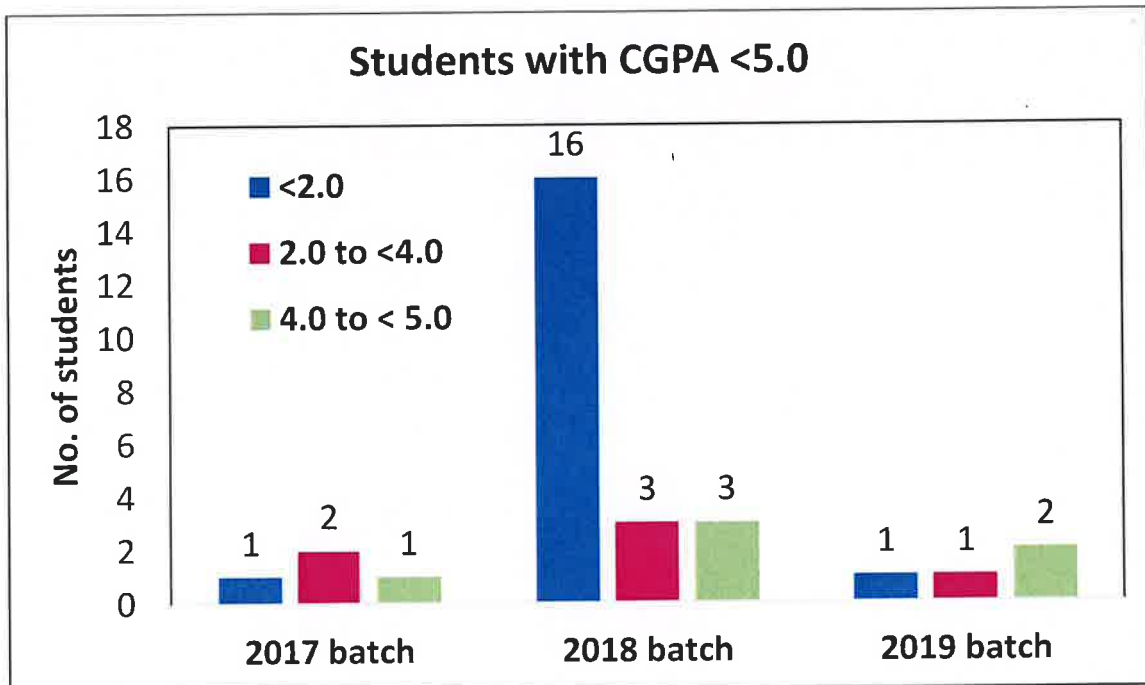

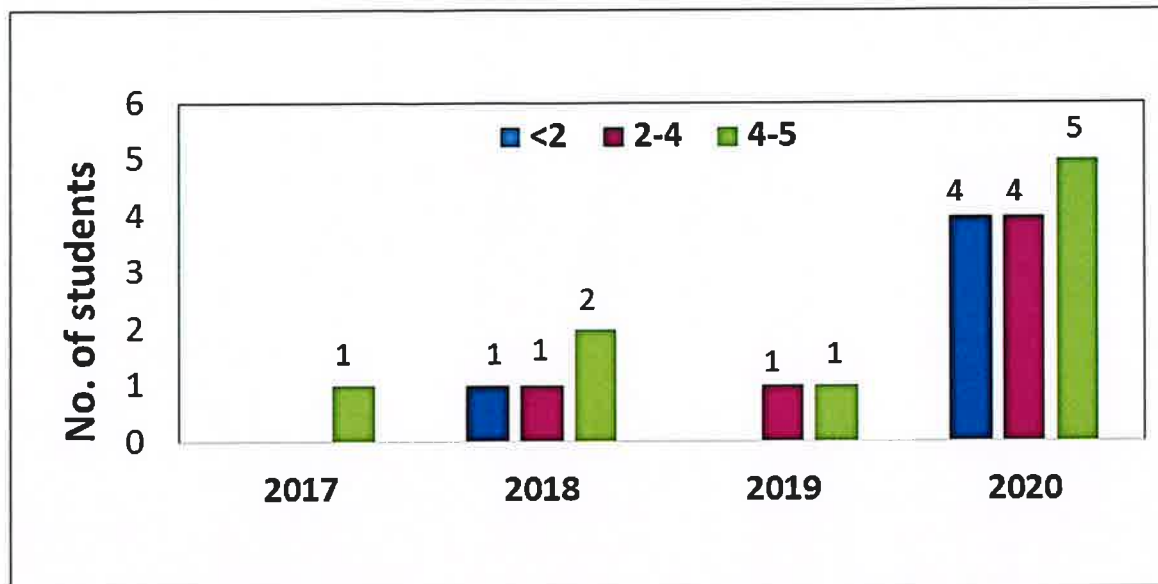

Figure 3 shows student performance after in Oct 2021. The improvement is noticed

The total number of students with CGPA less than 5 for (2017-2019 batches) were observed to be 59 in November 2020 which reduces to 6 by Nov' 2021. The progress in student performance can be noticed from the above figure 1-3.

The recent academic counselling cell meeting was held on 12<sup>th</sup> October 2021 at 10 AM. The student progress in academics and counselling report of students with arrear and CGPA less than 5.1 were presented in presence of head of department of all Branches, Deans and Vice Chancellor. The cell examined the matter of students with Zero internal, Re-registering of arrear courses, clashing of timetable for the re-registered. The concern raised by students were sorted out by working in close co-ordination with faculty members, Deputy deans (Academics), head of department and examination department. There is only one student whose CGPA is less than 5 in 2017 batch. The academic counselling cell members call for a meeting with the student on 21-10-2021 at 3.30 PM. The student attended the meeting and informed that he has re-registered for the arrear courses. He informed us that he is actively attending all the classes and will try his best to clear all the registered courses. Academic council members suggested him to regularly interact with the course faculty and academic council members.

## Report on Academic Counselling Cell

February 2021

The Academic Counselling Cell meeting was constituted in the month of October 2020 with a view to identify students not having satisfactory attendance, CGPA, and arrears. The primary objective of the cell is to monitor and counsel such students at regular intervals to improve their performance with the purpose of enhancing their employability quotient as well as higher academic pursuits.

The cell is chaired by Dr. Sheela Singh, (Dept of Mechanical Engineering) and membered by the following faculty:

- Dr. Srabani Basu (Dept of English), incharge of counselling SLASS
- Dr. Satish Anamalamudi (Dept of CSE) , incharge of counselling CSE
- Dr. T. Jaya Lakshmi (Dept of CSE), incharge of counselling CSE
- Dr. Pradyut Kumar Sanki (Dept of ECE), incharge of counselling ECE
- Dr. Shubh Lakshmi (Dept of EEE), incharge of counselling EEE
- Dr. Ugen Bhutia (Dept of Journalism & English), incharge of counselling CSE
- Dr. Manjunatha Thondamal (Dept. of Biology), incharge of counselling Civil
- Dr. Madhav Reddy (Dept.of Mathematics), incharge of counselling BBA
- Ms. H.Ayesha Parveen (Dept of Psychology), incharge of counselling CSE
- Dr. Sheela Singh, (incharge of counselling Mech)

Each faculty member is incharge of counselling and analysing the progress of students of various Departments and Schools

The A.C Cell has identified the students having less than 80%, attendance, less than 5 CGPA and backlogs. The target students have been contacted over phone and emails and respective faculty incharge have identified, analysed the reasons behind the lacunae in each of the above-mentioned areas, coached, and counselled the students to improve their performance in the said areas. In certain crucial cases, the parents of the concerned students have also been contacted to achieve a collaborative support for the student's improvement.

The Cell is working closely with the Exam and Admin departments as well as the mentors to collect relevant data to upgrade the quality of its performance and extend full support to the concerned students. From time-to-time the cell is monitoring the performance of student.

The figure 1 display students with CGPA less than 5 before cell was constituted (Nov 2020)

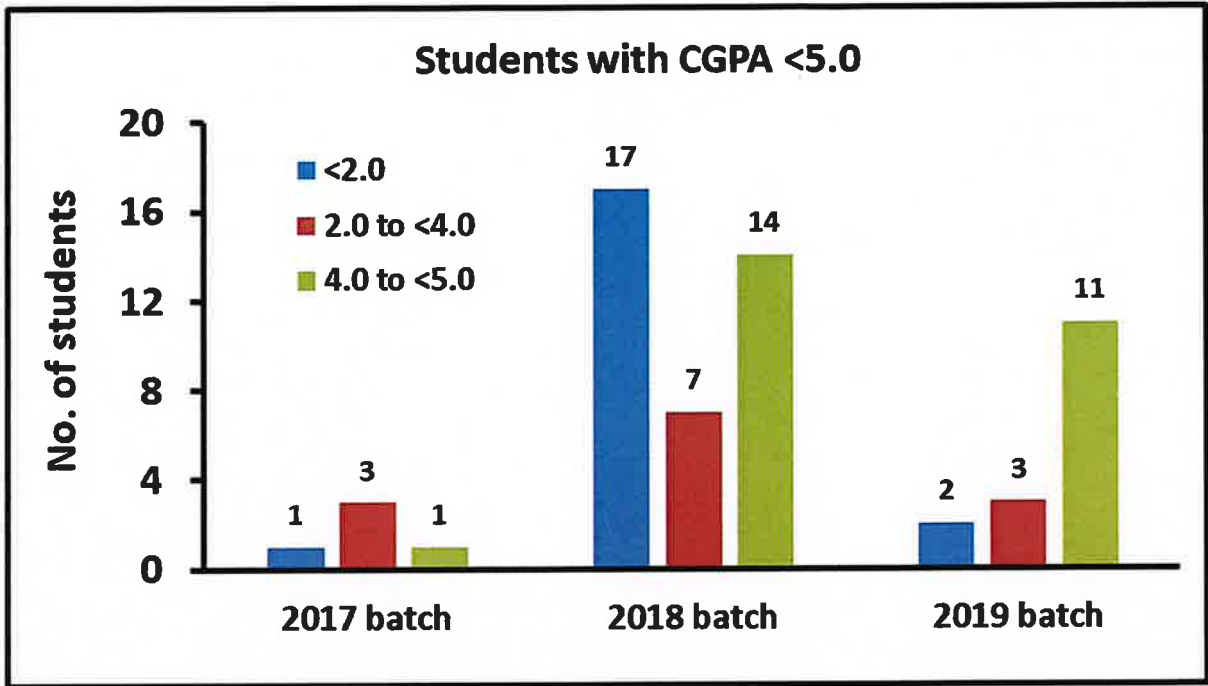

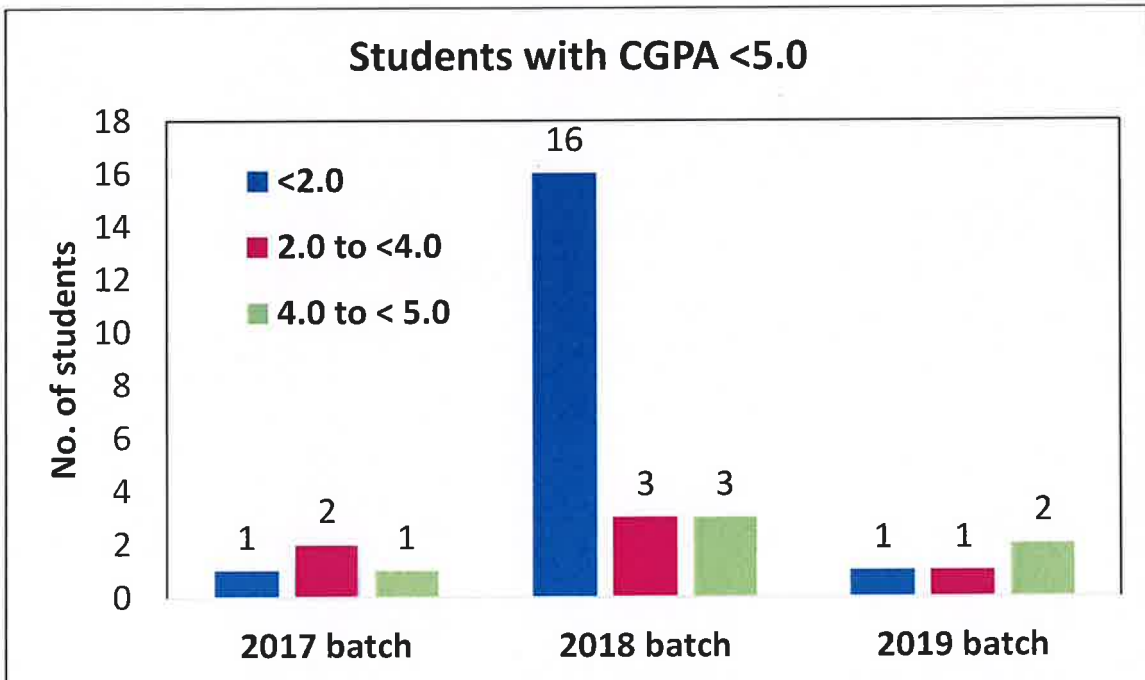

Figure 2 shows student performance after the constitution of the cell (Feb 2021). The improvement is noticed.

## **Report on Academic Counselling Cell**

November 2022

The Academic Counselling Cell meeting was constituted in the month of September 2022 with a view to identifying students not having satisfactory attendance (less than 80%) , CGPA (less than 5.1), and arrears. The primary objective of the cell is to monitor and counsel such students at regular intervals to improve their performance with the purpose of enhancing their employability quotient as well as higher academic pursuits.

The cell is chaired by Dr. Sheela Singh, (Dept of Mechanical Engineering) and membered by the following faculty:

Dr. Satish Anamalamudi (Dept of CSE) ,

Dr. T. Jaya Lakshmi (Dept of CSE),

Ms. H.Ayesha Parveen (Dept of Psychology),

Dr. Pradyut Kumar Sanki (Dept of ECE),

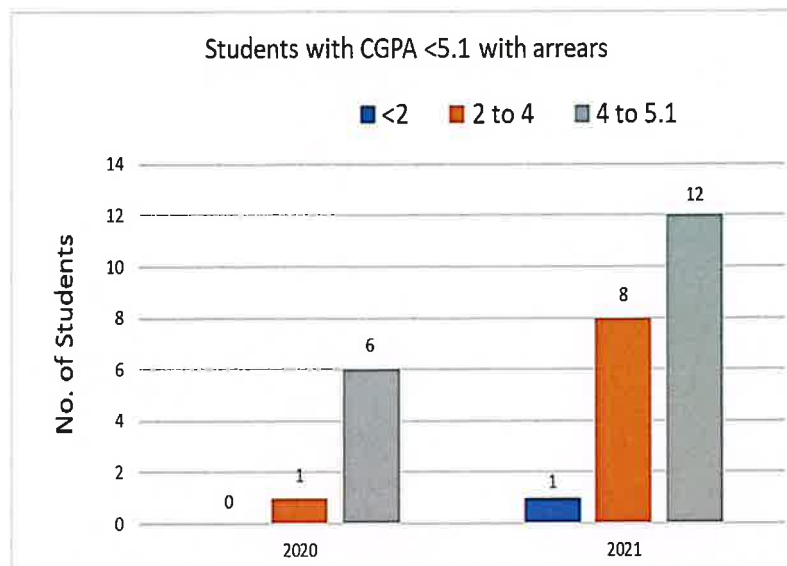

Dr. Shubh Lakshmi (Dept of EEE),

Dr. Ugen Bhutia (Dept of Journalism & English)

Each faculty member is in charge of counselling and analysing the progress of students of various Departments and Schools.

The A.C Cell has identified the students having less than 5.1 CGPA and backlogs. The target number of students from various departments was 321. These students have been contacted in person, over the phone and by email by the respective faculty in charge have identified, and analysed the reasons behind the lacunae in each of the above-mentioned areas, coached, and counselled the students to improve their performance in the said areas. A few parents were also contacted to check that the students are sharing their results, arrears, or backlog with them.

The Cell is working closely with the Exam and Academic departments and communicating the challenges faced by the students. The students were coached, and their queries were communicated from time to time to exam department and academic office. The figure 1 displays students with CGPA less than 5.1 in this current semester (Sept. 2022). Table 1 and 2 shows the department-wise list of student having CGPA less than 5.1 and students whose CGPA is more than 5.1 but have arrears in one or more subject, respectively. The academic council cell members interacted with most of these students.

**Fig. 1. No of student having CGPA less than 5.1 = 28**

**Table 1. Department wise list of students with CGPA less than 5.1.**

Branches	Student with CGPA <5.1 with arrears		
		2020	2021
<b>CSE</b>	<b>22</b>	5	17
<b>ECE</b>	2		2
<b>EEE</b>	1	1	
<b>BSc Psychology</b>	1		1
<b>Bsc Comp Sci</b>	1		1
<b>BBA</b>	1		1
<b>Total</b>	28	6	22

**Table 2 . Department wise list of Students with CGPA more than 5.1 but have arrears in one or more subjects.**

No of Arrears	CSE	ECE	EEE	MECH	CIVIL	Science	ARTS	BBA	MBA	M.Tech
293	220	32	4	10	8	2	1	3	2	1

The total number of students with CGPA less than 5 for (2019-2022 batches) in September 2022 were observed to be 28. Most of the students falling in this category were from 2020 and 2021 batches. These students started their courses during Covid time. The total number of the students with CGPA more than 5.1 but have arrear were 293.

The reason of low academic performance was observed to low internals, health issue, trauma in family during COVID, lack of concentrations. The committee also realised that most of the student have not shared their results to their parents/guardians. They were suggested to share their results. In this semester the students have mostly query about the examination dates and Laboratory Examination (due to physical mode of examination) and to Zero internals. The students were coached, and their issues were communicated to Academic Office and the Exam Cell. Academic council members suggested him to regularly interact with the course faculty for any issue regarding laboratory examination. The present trend of counselling challenges lies in difficulty to contact them and monitoring the progress. If we compare the results of last five semester there is slight increase ( 2%) in arrear cases in the current semester due to offline mode as shown below

#### **Comparison of results of last 5 Semester**

##### **Nov '2020**

- No. of students with arrear but CGPA more than 5.1 =211 (9.6 %)
- CGPA less than 5.1 = 59 (2.7%)

##### **Feb'2021**

- No. of students with arrear but CGPA more than 5.1 =150 (6.8%)
- CGPA less than 5.1 = 10 ( less than 1%)

##### **Oct '2021**

- No. of students with arrear but CGPA more than 5.1 = 145 (4.6 %)
- No of student having CGPA less than 5.1 = 20 (0.63%)

##### **March '2022**

- No. of students with arrear but CGPA more than 5.1 = 136 (4.3 %)
- No of student having CGPA less than 5.1 = 22 (0.69%)

##### **Sept '2022**

- No. of students with arrear but CGPA more than 5.1 =293 (6.9%%)
- CGPA less than 5.1 = 28 (0.6%%)

Few of Academic counselling cell members, Deputy dean (Academic), Dean (Academic) had meeting with VC Sir on 10<sup>th</sup> Nov 2022. The functioning of the academic counselling cell was discussed in the meeting. The VC Sir suggested us to plan a new strategy to make the cell more effective. Few members ACC met recently on 20<sup>th</sup> January 2023 to plan new strategies of counselling. We are working on new strategies of counselling in which student progress can be continuously monitored. The students are free to interact with any Academic

Counselling Cell faculty members for their suggestions or help to strengthen their academics.

*Shoela S. V.*

# SRM UNIVERSITY-AP, ANDHRA PRADESH

## Report on Academic Counselling Cell

April 2023

The Academic Counselling Cell meeting was constituted in the month of April 2023 with a view to identifying students not having satisfactory attendance (less than 80%), CGPA (less than 5.1), and arrears. The primary objective of the cell is to monitor and counsel such students at regular intervals to improve their performance with the purpose of enhancing their employability quotient as well as higher academic pursuits.

The cell is chaired by Dr. Sheela Singh, (Dept of Mechanical Engineering) and membered by the following faculty:

Dr. Satish Anamalamudi (Dept of CSE),

Dr. T. Jaya Lakshmi (Dept of CSE),

Ms. H.Ayesha Parveen (Dept of Psychology),

Dr. Pradyut Kumar Sanki (Dept of ECE),

Dr. Shubh Lakshmi (Dept of EEE),

Dr. Ugen Bhutia (Dept of Journalism & English)

Mrs. Shalini Jayakumar (examination department)

Mr Raju Dara (examination department)

Each faculty member oversees counselling and analysing the progress of students of various Departments and Schools. Most of the queries raised by the students were from the examination so Cell requested the academic affairs office to allot someone from the exam dept. MS Shalini and Mr Raju Dara from the examination department joined us for counselling counselling.

In April 2023, approximately 500 students were there whose CGPA is more than 5.1 but had arrears in one or multiple subjects and 110 students were there whose CGPA was less than 5.1. There is an increase in the number of target students as compared to the previous semester which could be probably due to offline examinations after COVID. Counselling cell meeting was set up in S block on two consecutive Wednesdays and all counselling cell members and students were asked to attend. Approximately 300 students attended the counselling and the query of the students with the help of the exam department was sorted out and students were guided appropriately. Most of the concern was Fees due, low internal, MOOC Results not updated (without re-registering the course student gave MOOC Exam and so results were not updated), ISES subject internal not updated (which was updated later), Summer intern course registration, depression etc.

There were 48 students from the final (2019) batch who had arrears. Since they went for an internship or project work, we did online counselling for them on 14 April 2022. Ms J. Shalini (examination department) and Dr T. Jaya from CSE were also present during counselling. Most students with arrears have either been placed or have secured admission abroad. They were

requesting to conduct the arrear examinations in early May so that their result would be available by June. They are worried about securing their JOB and admission. The student's request was forwarded to the academic affairs office.

The Cell is working closely with the Exam and Academic departments and communicating the challenges faced by the students. The students were coached, and their queries were communicated to the exam department and academic office. The academic council cell members interacted with most of these students.

# □ Academic Counselling Cell was constituted on 12.10. 2020

## Summary

### ☐ Counselling observations of Dr Sheela

- Students are not aware when **the supplementary exam will** be scheduled. If they know from the beginning they can prepare.  
Registration no **AP21110011636** had requested an accurate date for the supplementary exam. Last semester he paid the fees but the exam was not conducted.
- AP21110011268 attended the **ENG 111L exam but was marked absent**. He wanted to check the accuracy of his results as he wrote all the exams but failed.
- Maximum students have the problem **of low internals**. They are not submitting the assignments on time. They are not aware that once they get low internals, they don't have a second chance to upgrade.
- Last two semesters most of the lab exam was based on **viva due to online mode**. This semester, What will be the mode of the lab exam? If Experiments means **whether the student will be given extra lab classes to understand experiments**.
- One student said he had informed the parents. His CGPA was very low (3). So just to cross check when I called the student's father , he informed me that he is not aware of the **second semester results as results are not declared**. He has taken a lot of loans for his son's education and he doesn't know what he is doing in college?
- One student's parents informed us that **he is in holiday, so he is at home**. Parents are not aware of **academic calendar**
- One student is staying in the hostel during class hours, **referring to the fact that she is preparing for the exam. Her CGPA is 0.83**.
- Few students want to clear the arrear **without informing parents**.

## Counselling observations of Dr Sheela

- Students from **CIVIL and Mechanical** have problems learning coding. So they want help, Can they choose alternate subject inspite of coding.
- Nitish Kumar, roll no AP19110010542. He has one Arrear paper in 5th semester. In august all hostellers were asked to vacate. He went to his hometown in Jharkhand. **Special arrear exam was scheduled** in offline mode. He got an intimation of a special arrear exam on 16th August at 2.30 PM, and exam was on 18th August. So fast he could not manage to come to Viajawada from Jharkhand. Now he is requesting an opportunity to write an arrear exam otherwise he will miss the campus placement.
- Registration **AP21110011265** said he took admission in the **SRM main campus**. He did not register here this semester. I asked him to inform the academic section.
- Uttkarsh Sharma, AP21211210021 (BSC Psychology) joined late for the course so has 6 arrears. He is getting assigned two subjects each semester from the academic's office. The student is interested in which subjects will be assigned this semester and the schedule of exams and classes.
- AP21110030020 **gave supplementary exams online but results were not declared. He is understanding that he did not pay the supplementary fees** as he did not receive any notification for payment
- For others student for the subject CSE 130( Industry standard coding practice) is showing FAIL/ RA. **Student is interested to know what is meaning of RA**
-

## Counselling observations of Dr. T Jaya and Dr Ayesha

- A few students in current 5th Semester joined late in their first semester and got very low internal marks. They couldn't clear even after two arrear exam attempts. They have re-registered the courses in this semester.
- Students are having some myth about MOOC courses taken outside of SRM. They are cleared now. They became serious in this semester, registered for exams again and preparing.
- Some MOOC exam results are declared after result-declaration of SRM. They are not arrears, but the portal did not reflect their result yet.
- Some of the students said that the results have not been announced / Updated. Thus awaiting the results.

## Counselling Observations: Dr Shubhlakshmi

- Some 5th semester students told me that they did not get concepts due to online classes.
- Some students had network issues. Ex1-AP21110011459, Ex2- AP19110050001
- In most of the cases, low internals is the major reason for failing. In some cases, students have appeared twice but they are not able to pass the subject due to low internals.
- ISES 101-Failed because
  - (i) they did not actively participate in group discussion.
  - (ii) they did not attend classes due to some health issues.
  - (iii) they did not get concepts.
- MAT121- Supplementary exam was not conducted for this subject.
- For Lab courses, they did not answer viva questions.
- Some students are asking when the supplementary exams will be scheduled.
- Some students are requesting for a chance to improve internals.

## Councelling observation by Dr Ugen Bhutia

- One the main issues for the **students have been the internals**. Most of the students are requesting for the opportunities to resubmit the assignments.
- **A CSE student K SRI HARSHA (AP19110010164) informed that his internals for the lab project were not added.**
- Students with Registration nos. AP19110010398, AP19110030024 and AP21211210021 were unable to submit their internals projects, write midterms etc due to medical reasons or due to delay in their joining the university in the 1<sup>st</sup> semester.
- ECE student MANGAM JAHNAVI (AP19110020035) with two arrears informed that she has already attempted supplementary exam **for MAT355 for the third time and still could not pass because of the low internals**. She request for resubmission of internals. The students also informed that despite writing emails for the appointment she has not got the opportunity to meet her HOD since last two weeks to discuss about her other arrear ECE320.

## Main Observations

- Some students have also mentioned that even after writing their exam they have been marked absent. For instance, student with the reg no. AP19110010164 K SRI HARSHA informed that he was marked absent even though he was present for the exam during covid.
- Similarly, CSE student SATYAMADHURI VARUPULA (AP19110010522) informed that **she attempted supplementary exam for PSY111 in July and yet she has been marked absent.**
- ECE student Charan Sai (AP19110020066) mentioned that he was not able to write midterm exam for ECE315 because the date and time for the midterm clashed with the midterm exam of another course. When asked, the student informed that he raised this issue to the course instructor but did not receive any response.
- Student Charan Sai (AP19110020066) also has arrears in other three courses: ECE320, ECE321, ECE323L.. He mentioned that these courses were difficult to understand for him. Moreover, he also suffered from the typhoid and jaundice. Though extra sessions were suggested, Charan mentioned that he only need the opportunity to resubmit the internals.

## Strategies for effective Counselling

Sr.No	Activity	Responsibility	Deadline
1	Exam results to be shared in Excel sheet	Exam dept	
2	To check the course registration details of students who are staying in hostel	Student affair	
3	Students with CGPA less than 5.1 must meet Psychological counselor	Psychological counselor	
4	Each arrear student to meet the department or respective school counselor		
6	Councilor should fill the Counselling report in the shared excel sheet in G drive		
7	Compilation of report by respective department/ Exam / Academic / SEAS/SEAM/SLAB/Student affair		
8	Duly signed reports with the corrective measures taken must be submitted to In charge ACADEMIC Council cell		
10	The attendance status of all the students whose attendance is less than 80% to be shared to the subject teachers. If the student is absent for more than 3 classes, the teacher can call to students The measures taken by the teacher must be recorded in excel sheet	ERP	Monthly basis
11	Report to VC Sir
