Dear Kalluri,

Following our recent discussions, we are delighted to extend an offer of employment to you.

Enclosed are a Summary of Key Terms, any applicable Schedules and Detailed Terms and Conditions which set out important conditions relating to your employment and which, together, form your employment terms with Barclays ("**Employment Letter**").

The Employment Letter refers to the Barclays Values (Respect, Integrity, Service, Excellence and Stewardship) as these are a central part of everything we do. The Values as well as our purpose and behaviours, will have formed a key part of your selection process when being offered a role at Barclays. You will be expected to act in accordance with the Values as a Barclays employee, and in particular, to follow our Code of Conduct (known as the Barclays Way). More information on this, and how we 'live' the Values will be available prior to and on joining Barclays.

This offer is conditional upon you satisfying Barclays recruitment and screening conditions and procedures and where applicable, the appropriate regulatory approvals. To start the process you will need to complete an application form. If you have not already received it, you will receive a link to the site shortly.

On or before your first day of employment, you will need to provide written documentation which proves your eligibility to work in India. You will also need to sign one copy of your Employment Letter (enclosed) confirming, that you have read, understood and accept the terms. You must return this on your first day of employment.

We look forward to welcoming you to Barclays.

Yours sincerely
