Good Afternoon!!

SRM UNIVERSITY-AP, Andhra Pradesh Mail - Partial Result: Bosch - 2023 Batch

Just few more updates, we have added CSE branches too for our IT Hiring.

The idea proposed by our management is to have online test on June 20th @ 11 AM & the students who have cleared the online test will be allowed to attend the pre-placement talk in order to have a better focused engagement.

- **Eminent hiring**
 - **Hiring CSE and allied branches, ECE / EEE branches** wherein students would work on either IT services or the embedded projects from the mobility area.
 - CGPA: Average of 6 in all the semesters with no active backlogs
 - Package offered : 7 LPA for mobility requirements and 5 LPA for IT Services requirements (Selection for Mobility & IT Services will depend on their online assessment scores and interview feedback)
 - Work location : any of the BGSW locations of Bangalore, Coimbatore, Pune or Hyderabad
- **Hiring process**
 - BGSW Day – the pre placement talk which gives the students of what to expect at BGSW. it is mandatory that all students who have cleared the online test attend the same on a virtual platform. Link will be shared once the registration info is available.
 - Online assessment will be held on 20.06.2022
 - Shortlisted candidates will be invited for a Technical Interview
 - Those shortlisted in the technical round would be asked to take up a final online assessment at the end (in lieu of the HR round) .
 - Final selection of the candidates will be communicated back to the placement team and these students have a chance to do their internships @ BGSW.

Placement Office - Career Centre

Good Afternoon!!

Just few more updates, we have added CSE branches too for our IT Hiring.

The idea proposed by our management is to have online test on June 20th @ 11 AM & the students who have cleared the online test will be allowed to attend the pre-placement talk in order to have a better focused engagement.

- **Eminent hiring**
 - Hiring CSE and allied branches, ECE / EEE branches wherein students would work on either IT services or the embedded projects from the mobility area.
 - CGPA: Average of 6 in all the semesters with no active backlogs
 - Package offered : 7 LPA for mobility requirements and 5 LPA for IT Services requirements (Selection for Mobility & IT Services will depend on their online assessment scores and interview feedback)
 - Work location : any of the BGSW locations of Bangalore, Coimbatore, Pune or Hyderabad
- **Hiring process**
 - BGSW Day – the pre placement talk which gives the students of what to expect at BGSW. it is mandatory that all students who have cleared the online test attend the same on a virtual platform. Link will be shared once the registration info is available.
 - Online assessment will be held on 20.06.2022
 - Shortlisted candidates will be invited for a Technical Interview
 - Those shortlisted in the technical round would be asked to take up a final online assessment at the end (in lieu of the HR round) .
 - Final selection of the candidates will be communicated back to the placement team and these students have a chance to do their internships @ BGSW.

Hi Ganesh,

As informed on Whatsapp, please inform the following students. They have been selected for an internship with us starting 9th Jan in Bangalore. We will be releasing their offers now. Please ask them to see the offers tonight and send us their acceptance. They will have to make urgent arrangements to be in Bangalore starting 9th Jan. We will also need NOC from the college to allow them to pursue their internship with us. Will they be requiring any leaves for their 8th Sem exams?

Hi Ganesh,

As informed on Whatsapp, please inform the following students. They have been selected for an internship with us starting 9th Jan in Bangalore. We will be releasing their offers now. Please ask them to see the offers tonight and send us their acceptance. They will have to make urgent arrangements to be in Bangalore starting 9th Jan. We will also need NOC from the college to allow them to pursue their internship with us. Will they be requiring any leaves for their 8th Sem exams?

Hi Ganesh,

As informed on Whatsapp, please inform the following students. They have been selected for an internship with us starting 9th Jan in Bangalore. We will be releasing their offers now. Please ask them to see the offers tonight and send us their acceptance. They will have to make urgent arrangements to be in Bangalore starting 9th Jan. We will also need NOC from the college to allow them to pursue their internship with us. Will they be requiring any leaves for their 8th Sem exams?

Hey Pulkit,

I just had a talk to Kent and we want you on the team as an intern. The only blocker right now is the human resource aspect, we're too few in total and a majority are new arrivals on the team. Kent who will be head of product and lead Designer is not working full time yet. Therefor I'd like to wait 2 weeks before we onboard you to the project. Let me get back to you around mid October and take it from there. I hope this works for you as well.

Talk in a while,

SRM UNIVERSITY-AP, Andhra Pradesh Mail - Partial Result: Bosch - 2023 Batch

Good Afternoon!!

Just few more updates, we have added CSE branches too for our IT Hiring.

The idea proposed by our management is to have online test on June 20<sup>th</sup> @ 11 AM & the students who have cleared the online test will be allowed to attend the pre-placement talk in order to have a better focused engagement.

- **Eminent hiring**

- Hiring CSE and allied branches, ECE / EEE branches wherein students would work on either IT services or the embedded projects from the mobility area.
- CGPA: Average of 6 in all the semesters with no active backlogs
- Package offered : 7 LPA for mobility requirements and 5 LPA for IT Services requirements (Selection for Mobility & IT Services will depend on their online assessment scores and interview feedback)
- Work location : any of the BGSW locations of Bangalore, Coimbatore, Pune or Hyderabad

- **Hiring process**

- BGSW Day – the pre placement talk which gives the students of what to expect at BGSW. it is mandatory that all students who have cleared the online test attend the same on a virtual platform. Link will be shared once the registration info is available.
- Online assessment will be held on 20.06.2022
- Shortlisted candidates will be invited for a Technical Interview
- Those shortlisted in the technical round would be asked to take up a final online assessment at the end ( in lieu of the HR round ) .
- Final selection of the candidates will be communicated back to the placement team and these students have a chance to do their internships @ BGSW.

Good Afternoon!!

Just few more updates, we have added CSE branches too for our IT Hiring.

The idea proposed by our management is to have online test on June 20<sup>th</sup> @ 11 AM & the students who have cleared the online test will be allowed to attend the pre-placement talk in order to have a better focused engagement.

- **Eminent hiring**
  - **Hiring CSE and allied branches, ECE / EEE branches** wherein students would work on either IT services or the embedded projects from the mobility area.
  - CGPA: Average of 6 in all the semesters with no active backlogs
  - Package offered : 7 LPA for mobility requirements and 5 LPA for IT Services requirements (Selection for Mobility & IT Services will depend on their online assessment scores and interview feedback)
  - Work location : any of the BGSW locations of Bangalore, Coimbatore, Pune or Hyderabad
- **Hiring process**
  - BGSW Day – the pre placement talk which gives the students of what to expect at BGSW. it is mandatory that all students who have cleared the online test attend the same on a virtual platform. Link will be shared once the registration info is available.
  - Online assessment will be held on 20.06.2022
  - Shortlisted candidates will be invited for a Technical Interview
  - Those shortlisted in the technical round would be asked to take up a final online assessment at the end ( in lieu of the HR round) .
  - Final selection of the candidates will be communicated back to the placement team and these students have a chance to do their internships @ BGSW.

SRM UNIVERSITY-AP, Andhra Pradesh Mail - Partial Result: Bosch - 2023 Batch

Good Afternoon!!

Just few more updates, we have added CSE branches too for our IT Hiring.

The idea proposed by our management is to have online test on June 20<sup>th</sup> @ 11 AM & the students who have cleared the online test will be allowed to attend the pre-placement talk in order to have a better focused engagement.

- **Eminent hiring**

- **Hiring CSE and allied branches, ECE / EEE branches** wherein students would work on either IT services or the embedded projects from the mobility area.
- CGPA: Average of 6 in all the semesters with no active backlogs
- Package offered : 7 LPA for mobility requirements and 5 LPA for IT Services requirements (Selection for Mobility & IT Services will depend on their online assessment scores and interview feedback)
- Work location : any of the BGSW locations of Bangalore, Coimbatore, Pune or Hyderabad

- **Hiring process**

- BGSW Day – the pre placement talk which gives the students of what to expect at BGSW. it is mandatory that all students who have cleared the online test attend the same on a virtual platform. Link will be shared once the registration info is available.
- Online assessment will be held on 20.06.2022
- Shortlisted candidates will be invited for a Technical Interview
- Those shortlisted in the technical round would be asked to take up a final online assessment at the end ( in lieu of the HR round) .
- Final selection of the candidates will be communicated back to the placement team and these students have a chance to do their internships @ BGSW.

SRM UNIVERSITY-AP, Andhra Pradesh Mail - Partial Result: Bosch - 2023 Batch

Good Afternoon!!

Just few more updates, we have added CSE branches too for our IT Hiring.

The idea proposed by our management is to have online test on June 20<sup>th</sup> @ 11 AM & the students who have cleared the online test will be allowed to attend the pre-placement talk in order to have a better focused engagement.

- **Eminent hiring**

- **Hiring CSE and allied branches, ECE / EEE branches** wherein students would work on either IT services or the embedded projects from the mobility area.
- CGPA: Average of 6 in all the semesters with no active backlogs
- Package offered : 7 LPA for mobility requirements and 5 LPA for IT Services requirements (Selection for Mobility & IT Services will depend on their online assessment scores and interview feedback)
- Work location : any of the BGSW locations of Bangalore, Coimbatore, Pune or Hyderabad

- **Hiring process**

- BGSW Day – the pre placement talk which gives the students of what to expect at BGSW. it is mandatory that all students who have cleared the online test attend the same on a virtual platform. Link will be shared once the registration info is available.
- Online assessment will be held on 20.06.2022
- Shortlisted candidates will be invited for a Technical Interview
- Those shortlisted in the technical round would be asked to take up a final online assessment at the end ( in lieu of the HR round) .
- Final selection of the candidates will be communicated back to the placement team and these students have a chance to do their internships @ BGSW.

SRM UNIVERSITY-AP, Andhra Pradesh Mail - Partial Result: Bosch - 2023 Batch

Good Afternoon!!

Just few more updates, we have added CSE branches too for our IT Hiring.

The idea proposed by our management is to have online test on June 20<sup>th</sup> @ 11 AM & the students who have cleared the online test will be allowed to attend the pre-placement talk in order to have a better focused engagement.

• **Eminent hiring**

- **Hiring CSE and allied branches, ECE / EEE branches** wherein students would work on either IT services or the embedded projects from the mobility area.
- CGPA: Average of 6 in all the semesters with no active backlogs
- Package offered : 7 LPA for mobility requirements and 5 LPA for IT Services requirements (Selection for Mobility & IT Services will depend on their online assessment scores and interview feedback)
- Work location : any of the BGSW locations of Bangalore, Coimbatore, Pune or Hyderabad

• **Hiring process**

- BGSW Day – the pre placement talk which gives the students of what to expect at BGSW. it is mandatory that all students who have cleared the online test attend the same on a virtual platform. Link will be shared once the registration info is available.
- Online assessment will be held on 20.06.2022
- Shortlisted candidates will be invited for a Technical Interview
- Those shortlisted in the technical round would be asked to take up a final online assessment at the end ( in lieu of the HR round) .
- Final selection of the candidates will be communicated back to the placement team and these students have a chance to do their internships @ BGSW.

Good Afternoon!!

Just few more updates, we have added CSE branches too for our IT Hiring.

The idea proposed by our management is to have online test on June 20<sup>th</sup> @ 11 AM & the students who have cleared the online test will be allowed to attend the pre-placement talk in order to have a better focused engagement.

- **Eminent hiring**

- **Hiring CSE and allied branches, ECE / EEE branches** wherein students would work on either IT services or the embedded projects from the mobility area.
- CGPA: Average of 6 in all the semesters with no active backlogs
- Package offered : 7 LPA for mobility requirements and 5 LPA for IT Services requirements (Selection for Mobility & IT Services will depend on their online assessment scores and interview feedback)
- Work location : any of the BGSW locations of Bangalore, Coimbatore, Pune or Hyderabad

- **Hiring process**

- BGSW Day – the pre placement talk which gives the students of what to expect at BGSW. it is mandatory that all students who have cleared the online test attend the same on a virtual platform. Link will be shared once the registration info is available.
- Online assessment will be held on 20.06.2022
- Shortlisted candidates will be invited for a Technical Interview
- Those shortlisted in the technical round would be asked to take up a final online assessment at the end ( in lieu of the HR round) .
- Final selection of the candidates will be communicated back to the placement team and these students have a chance to do their internships @ BGSW.

SRM UNIVERSITY-AP, Andhra Pradesh Mail - Partial Result: Bosch - 2023 Batch

Good Afternoon!!

Just few more updates, we have added CSE branches too for our IT Hiring.

The idea proposed by our management is to have online test on June 20<sup>th</sup> @ 11 AM & the students who have cleared the online test will be allowed to attend the pre-placement talk in order to have a better focused engagement.

• **Eminent hiring**

- **Hiring CSE and allied branches, ECE / EEE branches** wherein students would work on either IT services or the embedded projects from the mobility area.
- CGPA: Average of 6 in all the semesters with no active backlogs
- Package offered : 7 LPA for mobility requirements and 5 LPA for IT Services requirements (Selection for Mobility & IT Services will depend on their online assessment scores and interview feedback)
- Work location : any of the BGSW locations of Bangalore, Coimbatore, Pune or Hyderabad

• **Hiring process**

- BGSW Day – the pre placement talk which gives the students of what to expect at BGSW. It is mandatory that all students who have cleared the online test attend the same on a virtual platform. Link will be shared once the registration info is available.
- Online assessment will be held on 20.06.2022
- Shortlisted candidates will be invited for a Technical Interview
- Those shortlisted in the technical round would be asked to take up a final online assessment at the end ( in lieu of the HR round) .
- Final selection of the candidates will be communicated back to the placement team and these students have a chance to do their internships @ BGSW.

Good Afternoon!!

Just few more updates, we have added CSE branches too for our IT Hiring.

The idea proposed by our management is to have online test on June 20<sup>th</sup> @ 11 AM & the students who have cleared the online test will be allowed to attend the pre-placement talk in order to have a better focused engagement.

- **Eminent hiring**
  - **Hiring CSE and allied branches, ECE / EEE branches** wherein students would work on either IT services or the embedded projects from the mobility area.
  - CGPA: Average of 6 in all the semesters with no active backlogs
  - Package offered : 7 LPA for mobility requirements and 5 LPA for IT Services requirements (Selection for Mobility & IT Services will depend on their online assessment scores and interview feedback)
  - Work location : any of the BGSW locations of Bangalore, Coimbatore, Pune or Hyderabad
- **Hiring process**
  - BGSW Day – the pre placement talk which gives the students of what to expect at BGSW. it is mandatory that all students who have cleared the online test attend the same on a virtual platform. Link will be shared once the registration info is available.
  - Online assessment will be held on 20.06.2022
  - Shortlisted candidates will be invited for a Technical Interview
  - Those shortlisted in the technical round would be asked to take up a final online assessment at the end ( in lieu of the HR round) .

**Dear Sai Praneeth Chennamsetty:**

On behalf of **Deloitte Consulting India Private Limited** (the "Employer" or "Company"), I am pleased to confirm our offer of employment to you as **Analyst** based in **Hyderabad**.

We extend this offer, and the opportunity it represents, with great confidence in your abilities. You have made a very favorable impression with everyone you met and we are excited with the prospect of you joining our organization on **September 25, 2023**.

Your immediate manager will communicate details of your role and work responsibilities in the initial weeks of your joining the Employer. During your employment, the Company may require you to work on any project that you are assigned to, on any technical platforms/skills and nature of the project, in differentiated work timing, at designated work space and location as may be decided by the company.

As part of your annual compensation, you will receive a Total Salary of \_\_\_\_\_ and, will be eligible for a performance linked variable bonus. At your level, the variable bonus opportunity could range from \_\_\_\_\_ of your Total Salary. The actual paid amount could vary depending upon the business and individual performance each fiscal year and, in some situations, could exceed the payout range indicated. Any amounts paid will be subject to statutory and other deductions as per Employer policies and practices. The details of your compensation breakdown are provided in the attached Annexure A.

As an incentive to join the Company, you are eligible to receive a joining bonus of \_\_\_\_\_ subject to your reporting for full-time employment on **September 25, 2023**. This amount will attract applicable taxes and will be processed as part of your first month's payroll. You will have an obligation to repay the entire amount of your joining bonus if you resign your position or are terminated for cause by the Company within **12 months** of your start date.

You may also receive additional benefits, including and not limited to, in cash and/or in kind and/or as reimbursement, which could be referred as rewards, awards and gifts, which are generally accorded to the employees of the Employer, subject to the applicable taxes, policies and practices of the Employer.

Your employment with us will be governed by the Terms and Conditions as detailed in **Annexure B**, as well as any and all rules, regulations, guidelines, policies and practices of the Employer, which may be amended from time to time. Deloitte LLP and its U.S.-based subsidiaries (the "Deloitte U.S. Firms") requires their employees to make the necessary representations regarding independence and other matters. Because the Employer is an Indian subsidiary of Deloitte LLP, we must also comply with these independence requirements. Accordingly, this offer is conditional upon you agreeing to make such representations under the Employer's Independence Representations requirements, as further explained in **Annexure B**.

Your compensation details are confidential, and you may discuss it only with the undersigned in case of any clarification. It is our hope that your acceptance of our offer will be just the beginning of a mutually beneficial relationship with our organization. We would like you to join the Employer on **September 25, 2023**, or an alternative mutually agreed upon date.

This offer letter, together with the Annexures described herein, and the Non-Disclosure, Non Solicit and Intellectual Property Rights Assignment Agreement, the Information Security Policy (which you are required to sign upon joining), constitute the entire agreement between the parties with respect to the subject matter of this offer, and supersedes all other previous or contemporaneous oral or written representations, understandings or agreements relating to the subject matter of this offer between you and the Employer or its affiliates.
